APRIL RECAP

A lot has happened in April, but the most encouraging and memorable thing that happened has got to be the youth initiated love offering for one of their own. When hardships come our way, the community comes together in support for each other. Demonstrating the love of Christ in a tangible way. During the Change Conference there are multiple youth who took steps forward in their faith journey. As leaders, we hope to help support them to keep their passion burning bright for their faith.

1. *What's the weirdest thing you've ever eaten?*
Pig brain. I grew up in Taiwan, there are a lot of things we eat that are considered weird in Canada.

2. *What did you want to be when you were younger?*
A princess. I was quite unrealistic as a child.

3. *What's the one thing you're really good at, besides leading youth groups?*
Turning leftovers into new meals.

4. *What's the coolest thing you've ever done as a youth leader?*
Riding a horse. Throwing things off the roof.

5. *Why do you feel called to serve in our youth ministry?*
God often impresses on me His guidance and direction through songs. In late 2020, He began to open my eyes and see the world through His eyes. In the song "Hosanna" by Hillsongs, the bridge lyrics were what stood out for months in my heart.

"Open up my eyes to the things unseen, Show me how to love like You have loved me. Break my heart for what breaks Yours, Everything I am for Your kingdom's cause"

This was my prayer, and He answered.

At the age of 11-18, the youth are fighting peer pressure, social media, hormone imbalances in the brain which cause emotional instability, they are discovering self-worth, and struggling to find their identity. The youth are fighting a fight that is invisible to the eye, but is all too real on the inside. With all that in mind, God said to me "enough".

Enough of being idle and waiting for something else to happen.

Enough of the excuses to not love His children. (Love is an action word, it requires action) Instead, Enough, for He is enough. He is enough for me, He is all I need.

6. *Tell me about your experience in church as a teenager. Were you involved in your church's youth ministry? If so, what did you most appreciate about it?*

I stepped foot into a church for the first time at the age of 13. Youth group is where I first felt the love of God, and also where I got saved. I was a youth leader as a youth, that experience helped me to gain project management, time management, and organization skills which are super helpful till this day.
